Mr. Mark L. Schneider  
Deputy Assistant Secretary  
for Human Rights  
Department of State  
Washington, DC 20520

Dear Mark:

I have just received some information, which came to me from Mexico, pertaining to the oppression of university professors in Argentina. The enclosed statement, addressed to the Secretary of the Human Rights Committee of the U.N., further substantiates my belief that the Argentine government is engaged upon phase two of its war against subversion, i.e. a war against "ideological" subversion.

Thanks for sending me copies of your speeches, and especially for sacrificing your free time on Sunday to speak to our young leaders.

Sincerely,

Rabbi Morton M. Rosenthal

P.S. I am also sending a copy of an article which appeared in World View this month, highlighting the plight Adolfo Perez Esquivel. Clear-cut cases such as this are so numerous that they boggle the mind.
